# Practice Chinese With a Native Speaker, Without Leaving Home

Bridging the Gap

### Online 1:1 Practice with a Native Chinese Teen!

**In the challenging time of COVID-19, your language improvement will not stop. With SLB's extensive network of partner schools in China, you can start online Chinese conversation with a same-age teen in China.**

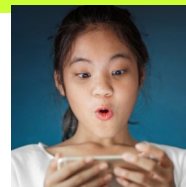

- Conversation is a two-way street
- Learning by involving
- Convenient — start your session at home or any place
- Flexible — access 24/7
- Effective — conversation is the key
- Relationship comes along the way
- You have the autonomy to study at your own pace

Utilize SLB's online live Chinese practice to keep your Chinese channel open and push it moving forward to a higher level of Mandarin proficiency. This initiative aims to get you feel comfortable, confident and passionate about Chinese language learning.

**A great way to ensure your success in learning Chinese.**

Language learning is fun and effective when you practice with a native speaker.

A real language buddy from China is just right for you at a one-on-one basis via popular social media on phone or computer!

30 minutes each session  
Two times a week  
At times of your choice

Sign up to start your face-time now

Monthly management fee: \$40 per person  
\$30 if committing for 3 months or longer

### Ideal for

Students who have basic level where they have built some language structures, skills and cultural knowledge developed in at least one semester of Mandarin study.

### After the program, students will be able to

- ◇ Understand the tones of and get used to talking to a native-speaker
- ◇ Use the language to be creative
- ◇ Incorporate high frequency linguistic patterns
- ◇ Expand cultural knowledge

Gradually, students would be capable to

- ◇ Understand and sustain more complex conversation
- ◇ Formulate more complex question-answer patterns
- ◇ Develop interpersonal, interpretational and presentational language skills
- ◇ Enhance cultural awareness
